

**Call for Papers 2020 Virginia Social Science Association (VSSA)
Annual Research Conference
Saturday, March 21, 2020
Virginia State University, Petersburg, Virginia**

Celebrating our 93rd year, The Virginia Social Science Association (VSSA) is Virginia's longest serving association of academics. As a multi-disciplinary organization, we welcome the full range of scholars and researchers from across all of the social sciences. Accordingly, we welcome panel and paper submissions from any and all social science disciplines and on any subject. This is a tremendous opportunity for scholars and students whose work bridges the boundaries of disciplinary restrictions, who seek to test their findings among interdisciplinary peers, or who simply wish to test the waters of research as they enter the academic world. All proposals that broadly suggest "social science" are welcome.

Please submit paper and panel proposals no later than **5:00 p.m. on February 27, 2020.**
